Your guide to finding your way around

intu.co.uk/metrocentre

intu Metrocentre is divided into colour coded malls (red, blue, green and yellow) which co-ordinate with the nearest free car park. The malls are linked by platinum mall which is coloured grey on the map.

The centre is split over two floors with a main entrance at each of the four main malls, each mall has a Customer Services Desk based near the entrance.

To use this map take the grid reference letter and number to find your square and then look for the coloured box. i.e. you can find House of Fraser in square F6 and it's green mall.

If you need assistance when shopping please approach any of our friendly staff on the malls or visit the Customer Services Desks.
